

Augment - Analyst Intern, H1 2020

Augment is a Corporate Finance boutique, based in Stockholm, that provides growth companies with advice regarding opportunities and complexities presented by various funding options. We deliver a complete array of public and private funding solutions as well as provide expertise to help determine the most appropriate strategy for each client's needs. Our commitment to client success focuses on long-term guidance and our aim is to be a trusted advisor for years to come.

Our services include:

- Equity offerings
- Initial public offerings
- Public takeovers

Augment has a small entrepreneurial team of four persons and has since start 2016 advised on over 50 transactions. Please see our [website](#) for more information about us and our transactions.

We are looking for an Analyst Intern to join us during the spring 2020 for 12 to 24 weeks. There is a possibility for a full-time position thereafter. Regardless it's an opportunity to gain hands-on Corporate Finance experience.

The role mainly includes:

- Producing presentations, prospectuses and other documentation
- Performing in-depth analyses
- Undertaking market research
- Actively participating in transactions

Ideal candidate:

- Strong interest in financial markets
- Excellent academic background
- About to finish or recently finished relevant BSc or MSc
- Relevant bank/finance work experience

The candidate must have strong analytical and numerical skills as well as exceptional communication and interpersonal skills in Swedish and English. Finnish is seen as a merit. Furthermore, a can-do mentality and excellent Microsoft Office abilities is required.

How to apply:

Please send us your application, CV and transcript of academic records no later than 8 December 2019 to info@augment.se.
